

SEAFORTH SHAKEDOWN

South Western Ontario Shakedown at the Seaforth Fairground

May 14, 15, and 16, 2011.

Why not begin your camping season by coming to our annual Shakedown? Space is limited to the first 30 units, with 15/30 amp. electric, water and a dump station available. For those planning to attend the Spring Rally, we will leave on Thursday, May 17th to make the short drive to Ancaster.

In Seaforth, relax, trailer hop, spend time with friends, enjoy camaraderie around the campfire and visit the surrounding area. Goderich which was devastated by a tornado last summer is nearby. A visit there would help support the local economy. We are planning **daily happy hours** and a **Pizza Lunch** on Tuesday or Wednesday. The hall will be available in the event of inclement weather and we will have access to the Arena showers. If you wish, bring any cut up lumber but no firewood.
